

"PRESS CAMPBELL" quite often gets "personal" messages in the mail, as we have reported to you periodically.

The letters to "Press" of this nature are generally from those firms that apparently take the phone directory listing and direct their "personal" messages to the "person" as his name appears in the book. "Campbell Press" follows closely to "Campbell Paul" and "Campbell Patricia" in Ma Bell's book.

So we assume that most times when of "Press" gets one of these personal messages, Paul and Pat are getting 'em too, although we haven't checked to find out.

The most recent message of this type received by Press Campbell was from a life insurance company in Dallas, Texas.

Ordinarily, acting for ol' Press, we toss the messages in the waste paper basket.

But this time, a reply was requested. The insurance firm had enclosed a handy perforated card on which Press was requested to put his date of birth and mail it back in the self-addressed stamped envelope.

The message on the card was both courteous and friendly:

"Dear Friend: Would you mind giving us your date of birth above so that we can give you free information about our 'extra cash' health insurance...."

The least, we figured, we could do would be to send the birth date information requested for "Press Campbell".

So we did.
June 7, 1895.

That was when this newspaper was "born".
But the only Press we know can always use some health insurance and "extra cash".
Not necessarily in that order.

BILL PODGORSEK, who headed the successful park bond drive last spring and was recently reappointed to the Parks and Recreation Commission by the City Council, is being urged to run for the City Council next April, inasmuch as Mayor Homer Hyde will not.

Hyde, present mayor, whose term will expire in April, has stated that he will not run for reelection.

Ralph Doetsch, who has also served as mayor and whose term will also expire, has indicated he will be a candidate again.

We would, as we have said before, liked to see Homer run again.

However, he feels that he cannot do justice to the office of councilman because of the press of business and he doesn't believe in doing things halfway.

As much as we would like to see him back on the Council, we respect Homer more than ever because of his sincerity in this matter.

We are pleased that Ralph is going to run again, for, in our opinion, he has done an excellent job in the two terms he has served as city councilman and he deserves reelection.

We also think that Bill Podgorssek would make a conscientious councilman, for he has proved by his yeoman service in the bond drive and as a parks commissioner that he believes strongly in his community.

-0-

DOETSCH and PODGORSEK are not the easiest names in the world to pronounce or spell.

It takes a little doing.
Yet Ralph won his first term on the Council via the write-in route.

Even Mayor Hyde in announcing Podgorssek's reappointment to the P&R Com-

YOUTH ADVISORY COMMISSION—Campbell's first Youth Advisory Commission officially came into being last week when eight of the nine-member body were sworn in by City Clerk Dorothy Trevethan (above). (Walter Hitch, a senior at Campbell High, was absent because he was taking part in the senior play.)

Standing, left to right, Bob Hamblen, Campbell High; Ron Brooks, Del Mar High; Russell Hammer, Del Mar High (chairman); Bill McCall, Campbell High (vice-chairman); Robert Piper, Jr.,

Westmont High; William A. Graham, Campbell High.

Seated, Terri Bullian, Campbell High (left) and Karen Crawford, Del Mar High (secretary).

The Commission will meet the second and fourth Thursday every month and will meet this Thursday, Dec. 11. On Wednesday, members of the Commission went on a city tour and planned also to meet with Assemblyman John Vasconcellos.

GETTING IT STRAIGHT—In reporting the composition of the city's first Youth Advisory Commission last week, The Campbell Press became a little confused and got involved in a case of mistaken identity.

Karen Crawford (on the right), Del Mar High student, was identified as being named an honorary or ex-officio member of the first Youth Commission. She is a full-fledged member and has been elected secretary of the group.

Mary Ann Chalmers (on the left), of Del Mar High, is the honorary member. Mary Ann lives outside the city limits.

Carl Kuhn, assistant city manager, helps get things straightened out by pointing to Mary Ann.

Miss Chalmers, who served as city manager during the recent Student Government Day, has been active in the preliminary groundwork for the Commission and was recommended for full membership. However, the City Council felt that the residential requirement should not be modified.

House conversion faces new study

Possible modification of an eight-year-old city ordinance prohibiting the conversion of residential structures into offices will be studied by the Planning Commission next Monday night, Dec. 15.

The suggested amendment to the municipal code would allow the conversion of a residence into an office when located in P-Q (professional office) or commercial zones, provided a conditional use permit is secured.

The ordinance was originally adopted to prevent the wholesale conversion of residences into business establishments. But opponents to the ordinance have long maintained that it has worked a hardship on property owners in many instances.

Four building plans are up for approval by the Commission Monday, including two industrial buildings designed by Frank Oldham and a request by Breuner's to enclose a patio.

Another item on Monday's agenda is the request of George Fritz to locate a dog

New fire station extra costs irk City Council

Sparked by a series of five contract change orders totaling \$4,435.00, the City Council on Monday night put the architect for the city's almost-completed \$244,000 fire station on Sunnyoaks on the spot to explain the reasons for the changes.

The changes had been authorized by Wally Byron, city building official, and the councilmen agreed they were necessary.

However, they wanted the architect, Pete Peterson, to review the problems that brought the changes about.

Councilman Dean Chamberlin maintained with most of his fellow councilmen indicating their agreement, that he was disappointed from the very beginning of construction that the fire station had exceeded the estimates. It had

been hoped originally, he said, that there would be bond funds available for a pumper. That became impossible because of the high bids received.

Chamberlin added that now the change orders had eaten into the contingency funds. He said that he was not too happy about it all.

One of the change orders (\$1,032.00) was a result of a misunderstanding with San Jose Water Works over the location of water lines.

Another order (\$2,550.00) was for waterproofing snap tie holes to reduce water spots, an item that was not included in the bid.

Another concerned a water valve at the training tower (\$259.30) which Byron maintained was needed but which had been omitted from the

No action was taken on the matter by the City Council, so the ordinance establishing the plan line of the north loop 295-foot north of Campbell Ave. is still in effect.

Present at the meeting were two of the leaders in the fight against the north loop plan line, Ollie Jensen, of 156 N. Second St. and Mrs. Opal Graham, of 46 N. Second St.

Jensen emphasized that there had been neither a victory nor a defeat in the battle thus far but pointed out that petitions indicated that there was major opposition to the north loop.

"The City has had the benefit of a 'Gallup poll' on the issue," Jensen added, "without costing a dime."

Mrs. Graham took exception to the arguments that the north loop opposition came too late. She maintained that prior to the public hearings held on the establishment of the plan lines (in October) which pinpointed where the proposed street was to go, there had been nothing definite to oppose except an idea.

Councilman Dean Chamberlin agreed that Mrs. Graham was right on the fact that no actual feet had been specified prior to the plan line hearings but that the concept

Two districts set Feb. 17 for special election

Voters in both the Campbell Union High School District and the Campbell Union (elementary) District will go to the polls in special elections on Feb. 17, 1970.

The high school district is seeking authorization for the voters to increase the present tax rate of \$1.35 to \$1.70 per \$100 assessed valuation for the next five years.

District officials point out that rising costs have forced the request to increase the tax rate.

The Registrar of Voters this week specified that arguments for or against the ballot proposal were to be submitted by Dec. 26.

The elementary district is calling its election to fill the vacancy on the school board caused by the resignation of William Parton.

Prior to this year, vacancies on school boards were filled by the remaining school board members. New state legislation now makes it mandatory that a special election be called to fill the position.

Citizens of the elementary school district wishing to seek election to the board must file with the Registrar of Voters by Dec. 24, 1969.

Applications are available to those interested from the receptionist of the Campbell Union School District office at 155 N. Third St., Campbell.

TRAVELING ARSENAL—This assortment of hand guns, sword, whip and rifles were discovered in a car answering the description of one wanted by San Jose police as being involved in a burglary. Sgt. Frank Furtaw approached the car, containing four boys, age 14 to 16, as it was parked on Kenneth Ave. The boys were apprehended late Tuesday afternoon and are now being questioned by Campbell police. An assortment of jewelry and watches was also found in the car, as well as two blackjacks and ammunition.

CofC to meet this Thursday

Three long-time members of the Campbell Chamber of Commerce, Father John Lally, formerly pastor of St. Lucy's and now assigned to San Mateo; Jim Hurley, retired Campbell postmaster; and L. E. (Bill) Means, who recently sold his interest in Campbell Drugs, will be honored at the Chamber of Commerce luncheon this Friday.

The luncheon will take place at noon in Zorba's, 1350 S. Bascom.

The Rev. W. H. (Ben) Gould, a director of the CofC will be master of ceremonies for the program which will also feature the a cappella choir of Campbell High. (This will be the third appearance of the choir before a civic group this week. On Monday the choir appeared at the Rotary meeting and on Tuesday at the Kiwanis Club.)

Thursday's luncheon will be the last one of the year to be presided over by Neal Royer, outgoing president. New officers will be elected at the director's meeting next month.

At the luncheon meeting, ribbons suggesting "Merry Christmas, Shop In Campbell", will be distributed and the display-exchange table where members can display their merchandise will also be available.

CofC names directors

Pictured here are the eight new directors of the Chamber of Commerce who, with the seven holdover directors, will comprise the governing board of the CofC for the next year.

Neal Royer, superintendent of the Campbell Union (elementary) School District, and outgoing CofC president, will also serve as a director.

The eight directors were elected in the annual balloting and will take office at the first meeting of the new year. Bob Bullard, CPA, first vice-president, is slated to move up to the presidency and Norm Paul, second vice-president, is scheduled to become first vice-president.

Editorial

Newspaper critic

A "lively" item for discussion today is the charge recently made by Vice-President Spiro Agnew against the news media.

In effect the Vice-President claims that often the newspapers and newscasters have been unfair in their "objective" reporting.

The Vice-President, of course, did not include the community weekly newspapers in his accusations but still those of us in the community weekly field should from time to time do some soul searching with respect to the sweeping charges made by Agnew.

It is not a new charge that has been made by the Vice-President. Newspapers have always been subjected to criticism from those whose opinions differ from those expressed by the newspapers.

But on the whole, newspapers confine their opinions to the editorial page and not in the news stories.

But factual reporting is done by human beings and it is true perhaps that a reporter or editor sometimes allows his feelings to show through the facts. But not often.

A newspaper is owned by people. Those people have opinions.

And they should be able to express their opinions in their editorials.

A newspaper is not a tax-supported body and its quasi-public service functions must be supported by money. Thus a newspaper is a business.

There is no question that newspapers influence public opinion. That has been going on for hundreds of years.

But is that bad?

How else would you have it?

During the recent Thanksgiving holidays, a cousin of your editor's, Foster Gaines, an articulate dentist from Downey, expressed very definite opinions on the role newspapers play in the molding of public opinion.

Dr. Gaines was quite critical of the means that are often used to build up or tear down a public figure.

Although we were in disagreement with some of his concepts of journalism, that were outlined by Dr. Gaines, we suggested that he put down on paper some of his beliefs on the subject.

The following guest editorial was a result of this suggestion:

THE IMPACT OF PUBLIC OPINION

By Foster Gaines, D.D.S.

Like a wavering leaf in an autumn wind or a chip of wood wandering on the surface of a babbling brook, people are swayed by public opinion. Opinion just does not happen, but it is influenced in many ways.

Men in public life have been made or broken by the whims of opinion makers. Products for sale are a hit or miss according to the intensity of the advertising campaign.

As an aftermath of the ado of Vice-President Agnew's attack on the news media let us consider the influence of the media and what it does to the people of our nation.

How many times have you heard a vitriolic criticism of a person in public life? And how many times have you asked the critic this question? Do you know the public figure? How do you arrive at this opinion of this figure?

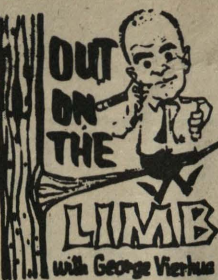

Let us make a guess that the average elected public official will not know more than one percent of his constituency. How, then, does he become liked or disliked to become elected? There are organizations who are in the business of marketing a commodity that we shall call political image.

Are you a little bit shocked to learn that good images are available for a price? Are you also aware that images are sometimes damaged by persons who have an ax to grind?

A great service would be rendered for the people of this country if a giant campaign were started to honor the average person who is decent, honest and hardworking and who is not aiding and abetting the shiftless dissenter. In short, it would be good if the member of the establishment were given credit for making this the best nation in the world. The television camera should be pointed not at the noisy mob but at the solid citizen who still thinks work is an honorable world and sweat can be washed away.

Totalitarian governments have a way of treating news. We are proud to say that our news media is unbridled. How can we get across to the media that they have the privilege of reporting things as they happen and that they can abuse this privilege. The reporting is not all bad but it could and should be improved. How about a campaign directed to the news media by the news media to do some house cleaning in such a way that governments will not be tempted to put on controls. After all, governments are made by public opinion and public opinion can have quite an impact.

mission at a recent Council meeting stumbled a little over Bill's name.

He explained later, however, that he finally was able to get the hang of it by breaking it into three distinct syllables... POD-GOR-SEK....

Naturally we are sympathetic over these hard-to-pronounce names.

It is surprising what can happen to a name like VIERHUS.

FROM THE GOOF-UP department: In writing last week's news story on the appointment of the city's first Youth Advisory Commission, we became confused.

We reported that Karen Crawford, of 1605 Sheffield, a Del Mar High junior, had been appointed an honorary or ex-officio member of the Commission because she lived outside the city limits.

The Council would not unbend and make an exception in her case. (Members of the Commission must reside within the city limits, according to the resolution establishing that advisory body.)

We were all mixed up. Karen lives within the city limits and is now a full-fledged member of the Commission.

Mary Ann Chalmers, of 1239 Shady Dale Ave., also a Del Mar student, is the one who lives outside the city. She was appointed as an ex-officio member of the first Youth Commission.

Our apologies to both of these cute gals.

Mary Ann served as "city manager" during the recent Student Government Day and was active in the preliminary action that led to the Commission being established. But the Councilmen decided to stand firm on the residential qualification.

At the swearing-in ceremonies, we took a picture of the two girls with Carl Kuhn, assistant city manager, who is guiding the new Commission.

We took the precaution to have Carl in the photo pointing out Mary Ann.

A PICTORIAL RECORD.. It doesn't happen very often but in last week's issue one person appeared in three separate pictures on the same front page.

That distinction belongs to Mrs. Opal Graham, of 46 N. Second St., a leader of the opposition against the proposed north loop street.

Mrs. Graham, coincidentally, happened to be sitting in the audience at the City Council meeting near three youth commissioners-to-be.

When we shot the pictures of the kids being introduced, there also was Mrs. Graham.

Then in another picture on the same page, she appeared again next to Ollie Jensen, who was making a pitch against the north loop. (Mrs. Graham previously had presented a petition with 551 names opposing the proposed loop street.)

Ollie would have made the front page three times pictorially, too, except in the shot, he was almost hidden from view.

As a further coincidence, a picture of one of the youth commissioners seated in front of Mrs. Graham was of her son William, a senior at Campbell High who officially took office last Thursday.

INTRIGUING (TO US anyway) is the way to describe an item that appeared recently on the list of claims to be at a recent City Council meeting.

It was for \$38.75 to be paid a nursery for "one weeping birch and 15 convolvulus".

A weeping birch we dig. Now "convolvulus" probably means something to gardeners and flower people but we drew a blank on it.

In fact we have trouble spelling it and don't even try to pronounce it.

The dictionary helped a little but not much:

"CONVOLVULUS - any plant of the genus convolvulus, which comprises erect, twining or prostrate herbs having trumpet-shaped flowers... Cf. morning glory..."

To enlighten us on the matter a little more, we called Bill Wren, public works director, whose department

drawings. Two other change orders involved a fuel tank vent line (\$350.20) and additional telephone outlets (\$243.50).

After Peterson had gone through the list, explaining that in two of the cases (water line and vents), the architect's fees would be waived, the Council grudgingly by a 3-2 vote (Councilmen Bill Smeed and Chamberlin opposing), approved the change orders.

But all the councilmen seemed unhappy about their first efforts in the major construction of a city building.

They expressed the hope that they would not have the same problems with the civic center complex now in the final planning stages.

made the purchase of the one weeping birch and 15 what-chamecallems.

We told Bill that we knew what a morning glory was and that we knew several people who would give 'em away. But how about these "convo" things?

Bill patiently explained that the plants will go in the median strip on W. Hamilton Ave. They weren't morning glories, although they may belong to the same family.

They make attractive and colorful ground cover, he added.

He wasn't sure what really was the down-to-earth name.

We didn't ask him where the one lone weeping birch was going to go.

But now we know what to call those little plants in the strip.

But we still can't pronounce it.

Or spell it, for that matter.

Council to hear about cable TV in January

Campbell councilmen are expected to gain considerable knowledge about cable television on Tuesday, Jan. 13, 1970, when two firms in the CATV field appear at an informal hearing.

Nationwide Cablevision, which was represented at the Council meeting Monday by former Campbell Mayor John M. Chargin, is seeking a franchise to install cable television in Campbell.

A non-exclusive franchise was issued to Gill Industries in 1967.

Chargin claimed the other

of the north loop had been discussed and researched at many public hearings long before that time.

Chamberlin also pointed out that all studies had indicated that there was a need for a better east-west traffic flow through town and no better plan had been presented than the loop concept. He added that he had long given up trying to please everyone.

Mayor Homer Hyde repeated that it was impossible to keep everyone happy in the situation and indicated that the proposal made by north loop opponents to send traffic down Rincon Ave. would undoubtedly meet with opposition from people who lived on that street.

That there was opposition from Rincon Ave. residents was indicated by the presence at the meeting of a delegation of people from that street, headed by Mr. and Mrs. Ed Genasci, of 166 E. Rincon.

Mrs. Genasci took the floor to explain that she had signed the petition against the north loop but she did not realize at the time that Rincon Ave. had been suggested as an alternate route. She was opposed to that idea, she said, and wanted her name taken off the petition.

She said that they had just paid \$500 to improve their street and did not want it ruined by heavy traffic.

"We really don't care," she emphasized, "about where the north loop is going to go BUT don't send traffic down our street!"

Councilman Ralph Doetsch submitted that the feelings of the 800 people who signed the petition should be recognized and that the way should be left open to restudy the plan if another route would prove more feasible.

In concluding the discussion, Mayor Hyde, with his fellow councilmen agreeing, suggested that all the material that went into the study of the north loop concept should be made available to the opponents of the plan.

St. Thomas wedding mass unites Mary Garcia and Michael Clarke

Over 600 attended an old-fashioned wedding ceremony that united Mary Esther Garcia and Michael Patrick Clarke recently. The double ring nuptial mass was the first to be held in the new St. Thomas of Canterbury chapel in Campbell. Officiating was the Rev. Paul Perlite.

For her wedding day Miss Garcia chose a satin gown styled in Empire lines trimmed in lace with 600 seed pearls lining the lace. A chapel length train was also trimmed in the lace and seed pearls and her veil of silk illusion was secured by a petal headpiece. The wedding gown and those of the bridal attendants were all made by Mrs. Ray Snyder of Campbell.

The bride carried a beautiful bouquet of white and yellow roses, with white mums and yellow baby roses being carried by the bridesmaids and matron of honor. The church flower arrangements were made by Mrs. Ralph Doetsch who also made the centerpiece for the reception hall.

Miss Katherine Christensen of Campbell served as honor attendant with the Misses Rachel Garcia, Elaine Clarke, Mary Ann Tumillo, Patricia Medel and Roberta Lopez carrying out the bridesmaids duties in baby blue poi de soie. Little Miss Diane Sweeney, cousin of the bridegroom, served as flower girl, with Steven Garcia, brother of the bride, as ring bearer.

Mary is the daughter of Mr. and Mrs. Benny G. Garcia of Campbell and her bridegroom is the son of Mr. and Mrs. Wilbur P. Clarke, also of Campbell.

Mary is a graduate of Westmont High School and is presently a student at West Valley College. Michael is an alumnus of Bellarmine Preparatory and is presently studying at the University of Santa Clara.

Following the ceremony the young couple greeted their friends at a sit-down Mexican and American dinner where the four-tiered cake, made by Mrs. Guillermo Velasco of Campbell, was cut by the newly-weds. The cake was topped with a tiny replica of the bride and groom while the bottom layer was adorned with miniature bridal attendants who were gowned as exact copies of the real attendants. The cake carried out the bridal color scheme of blue and white.

Special guests at the wedding included the groom's paternal grandparents and maternal grandmother who came in from Vancouver, Canada, as well as cousins, aunts and uncles from Canada and friends of the bride and groom from Tulsa, Oklahoma, Mr. and Mrs. Frank Johnston and family.

Ushers at the wedding included Robert Clarke, Michael Chargin, Thomas McLachlan, Manuel Ordóñez and Barry Gil. The role of best man was carried out by Michael Murray of Campbell.

The new Mr. and Mrs. Clarke are now making their home in Campbell following their honeymoon in Southern California and Disneyland.

Schools plan special Christmas programs

SAN TOMAS

Christmas will be in the air at the San Tomas PTA meeting to be held Dec. 17 at 7:30 p.m. The regular meeting will be held in conjunction with the annual Christmas program presented by the students.

The primary grades will present four skits while the school chorus directed by Gene Blackburn, third grade teacher will sing several Christmas songs. Several numbers will also be presented by the school orchestra directed by Walt Pattison. A violin solo will be played by Margaret Keenan and Julie Glage will play "Drummer Boy" on the piano.

The program will be introduced by Robert Lacey. The children have been spending the past week decorating the tree and Santa Claus will visit with the small children at the end of the program.

Refreshments will be served under the direction of the PTA hospitality chairmen Mrs. Dee Barnes and Mrs. Tom Small.

During the business meeting a PTA membership plaque will be awarded and charters will be presented for the troop and club pack and will be accepted by Wayne Liles, president.

A committee to choose the Honorary Service Award recipient will also be elected during the evening.

CAMPBELL HIGH

On Wednesday evening, Dec. 17, the Campbell High School will present its annual Christmas concert program in the Campbell High School Auditorium.

Campbell High School gives special thanks to the Rogers Organ Company of San Francisco for the free use of one of their fine organs for the Christmas program. Hal Aldridge, of the Campbell High School faculty, is donating his harpsichord for the concert, which is always an outstanding feature of the Campbell Christmas season.

Immediately before the

program, during the intermission, after the program, there will be a Campbell High School PTA Christmas gift bazaar. Proceeds from the bazaar sales will go towards their worthwhile projects to assist Campbell High School. All Campbell High parents are asked to donate articles to the bazaar sale.

Parents unable to donate homemade articles may donate Christmas wrapping paper and ribbon, and all items may be left at the P.T.A. bazaar counter the evening of the Christmas program. Parents not attending the Christmas program, may leave bazaar items at the Campbell High School office or at the home of Mrs. Bicocca, Campbell High School P.T.A. president, phone 379-1858.

The program's theme for this year will be "The Joy of Christmas". William Perkins will direct the orchestra. The Choir and Girls Glee Club will be under the direction of Clarence Savage. Selma Sindron, this year's Campbell High School exchange student from Holland, will play one of the recorders in a sonata.

Special Mass

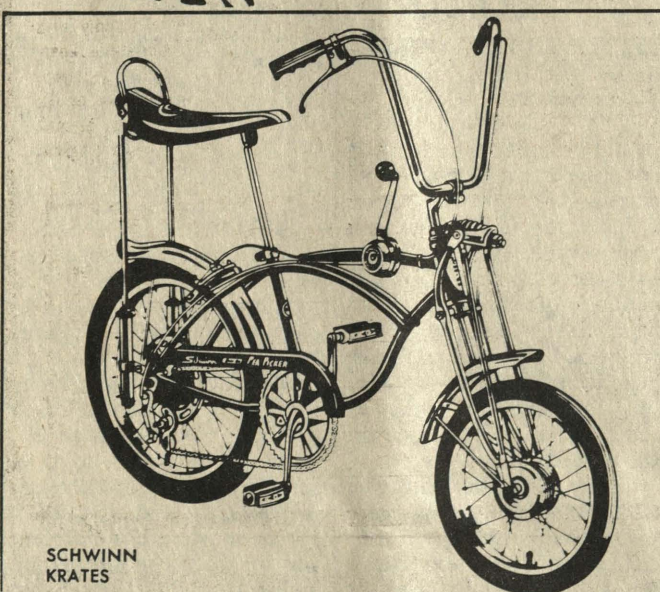

Parishioners of St. Thomas of Canterbury are inviting all who wish to attend, to a Mass and Rosary at the parish center on Friday, Dec. 12 at 9 a.m. in honor of the Feast of Our Lady of Guadalupe.

The mass will commemorate the apparition of The Blessed Mother Mary to an Indian peon in Tepeyac, Mexico City in the 16th century. St. Thomas of Canterbury's is located at 1522 McCoy Ave.

HOSTESS

Mrs. P. L. Zimmerman of 392 Nottingham Way will be among the hostesses at the annual Christmas party for children and grandchildren of San Jose YWCA members at 10 a.m., Friday, Dec. 12.

Garden Club Christmas party

A lovely Christmas program is being planned by the Campbell Garden Club with special decorations in the holiday mood for the meeting to be held at 1 p.m. in the Congregational Church of Campbell Fireside Room on Wednesday, Dec. 10.

Christmas music will be enjoyed and a Christmas reading by Roberta Williams will be on the program. Mrs. Virginia Kolve will head the refreshment committee assisted by Mrs. George McClung, Mrs. Edmund Birr and Mrs. Clifford Moore.

Decorations will be directed by Mrs. Vera Werner with Christmas arrangements by Mrs. Birr and Mrs. B. A. Brigham.

Mrs. Triplett to receive jewel

Ada Rebekah Lodge 223 will hold their annual Christmas party Dec. 16 at 8 p.m. at the IOOF hall. All members are asked to bring a dollar exchange gift.

Mrs. Ivy Triplett will be presented with a fifty year jewel at that time. She was born in Sacramento July 23, 1889 and except for several years in Michigan has lived all her life in various parts of California. She joined the Campbell Rebekah lodge in Dec., 1919 and has been a resident of the IOOF home for Senior Citizens for the last four years.

LEAVES FOR N.Y.

William P. Hicks, Jr., 22, of Campbell, has flown east to join the Bethel Family at the headquarters of the Watchtower Bible and Tract Society, Brooklyn, N.Y. He plans to spend the next four years in this special service while increasing his ministerial background.

Born in Oakland, Hicks received much of his education in Campbell, attending junior high school here and graduating from Westmont High School.

U.M.Y.F. group plans car wash Saturday, Dec. 13

December will be a full month for the members of the Junior UMYF group of the First United Methodist Church of Campbell with a car wash being scheduled for Saturday, Dec. 13.

The car washing day will be held at Buchholtz Chevrolet station at 535 W. Hamilton Ave. and all of the members will be pitching in to earn money for their various projects.

Recently the freshmen and sophomores were involved in teaching a Christmas Craft class at an Advent workshop, and on Dec. 7 all of the parents were invited to the weekly meeting to get better acquainted with the group and to gain understanding of the program.

Two outings are being planned by the group when they will present a tree and decorate it while singing to the children's ward at Valley Medical Center and the other to carol through the corridors of the Campbell Community Hospital.

Other events scheduled for after Christmas vacation include varied programs, speakers and service projects including a paper drive in February, a snow trip and a visit to a Folk Mass at one of the Catholic churches.

OES MEET

Campbell Chapter No. 553, Order of Eastern Star, will meet Friday, Dec. 12 at 8 p.m. in Odd Fellows Hall, 276 E. Campbell Ave. Mrs. Mary Wilson, Worthy Matron, and Mr. Leslie Titus, Worthy Patron, will preside.

Mrs. Bernice Rabehl will be chairman for the Christmas gift exchange party. A kitchen or monetary gift may be given.

A CLEAN CAR IS A THING OF JOY—Members of the Methodist Church youth group practice for their car wash to be held Saturday, Dec. 13.

WSC to hear students speak

The Women's Service Club of Campbell will meet in the home of Mrs. Herman Rice, 18920 Sunnybrook Ct., Saratoga, on Dec. 17 at 1 p.m.

Program Chairman, Mrs. Marye Parker will present International Christian youth exchange student, Selma Sindron from Holland; also Vella Rohda of Norway, attending school here under the youth for understanding exchange program.

Mrs. Daniel Allison will preside.

The annual Agnew Christmas party will be given on Dec. 16. Members are to meet at the parking lot of the First United Methodist Church at 1675 Winchester Blvd. at 1 p.m.

ON CAPITOL HILL

with "Charlie" Gubser

Representative Edith Green, a Democrat from Portland, Oregon, who holds impeccable credentials as a liberal, recently charged: "There is a 'poverty-industrial complex' festering in the nation just as sure as there is a 'military-industrial complex'."

In making her point that war on poverty money is not getting to the poor, Mrs. Green accused the poverty lobby of labeling anybody who wants to make a change in the program as being "against the poor."

"I have heard statements", Mrs. Green said, "that if it were not for the OEO program, the government...would not be doing anything for the poor people. This is a complete fallacy...The OEO program is only 10% of the total amount of money that is going for the impoverished or disadvantaged in our country."

Mrs. Green then pointed out that if we add the \$27 billion spent by the federal government, the \$14 billion spent by state and local government, and the \$2.4 billion by voluntary private agencies. "The OEO program is only 5% of the money that is going to the 'poor people' of this country."

The attractive Oregon Congresswoman then cited a hypothetical Oregon family of a mother and four children. One child was of pre-school age, one in high school, one in college and one in elementary school. If this imaginary family of five took advantage of various programs, they could have \$2800 from public assistance; \$618 for medical assistance; \$336 in cash value for food stamps; \$75 in legal services; \$125 under the OEO comprehensive health program; and they could either have public housing or a rent supplement of \$406.

Letters to the Editor LETTER TO THE EDITOR COURTEOUS CITIZENS To the Editor: The City of Campbell should be proud of having, if nothing else, the best mannered citizens ever.

My wife and I helped, in a small way, in the recent drive to secure signatures for the petition opposing City Ordinance 703 (North Loop Plan). We helped circulate petitions. Significantly, in no instance was anybody we spoke to rude, impolite or crude in their speech or actions.

Those who did not agree with our point of view were polite and considerate of our difference of opinion. Never was a door slammed in anger nor an unkind word exchanged. We just wanted to write

The pre-school child would be entitled to Head Start at an average cost of \$1050. The high school child would be eligible for "Upward Bound" worth \$1440. The child in college could receive about \$1000 from a \$520 grant under an NDEA loan and a work study program costing about \$475.

The mother could participate in a job opportunity program worth \$3000 and the high school youngster would be entitled to the Neighborhood Youth Corps at a cost of \$450.

"So this imaginary family... would be able to have \$11,513 income for the year."

Mrs. Green then constructed another hypothetical case where a mother of eight could receive benefits worth \$21,093. "Nobody in that family would need to work for one single day!"

As a parting shot at the "poverty-industrial complex", Mrs. Green said succinctly, "Now for those people across the country who are saying that this is a government that does not have any concern for the poor and that they have to take to the streets to impress their needs upon the government, I suggest that they look at these programs."

When Congress passed the war on poverty it did not achieve instant perfection. In fact, it has proven to be one of the most poorly administered programs in history which has done little for the poor and featured scandalous waste. Nevertheless, hundreds of letters have poured into congressional offices challenging the right of Congress to change and improve it.

I think we are obligated to improve the war on poverty. And most taxpayers agree.

and, tell you how wonderful it is that people can still have divergent points of view without losing their "cool" over the issue. Those people whom we talked to, both for and against the plan, receive our personal thanks for their courtesy.

Most Sincerely, Mr. & Mrs. John Shea 75 N. Second St. Campbell, Calif.

BEVERAGE LICENSES The City of Campbell has received \$5,963 as its six-month share of the special fees paid by holders of alcoholic beverage licenses.

The payment was made by the state's department of alcoholic beverage control which allocates 90% of all license fee money back to individual cities and counties.

The most recent payment was for the six-month period ending Aug. 31, 1969. Santa Clara County as a whole, including the unincorporated area, received \$171,516 for the period.

Christmas program. Under the chairmanship of Norman Paul, choirs from Campbell elementary schools will sing at four of the shopping centers during the Christmas season.

Other scheduled concerts, which are free to the public, include Campbell Elementary School, Campbell Plaza, Tuesday Dec. 16; Wednesday, Dec. 17 Rosemary School at Hamilton Plaza; and Thursday, Dec. 18, San Tomas School at the San Tomas Shopping Center. All concerts are for 7 p.m.

Del Mar Dateline

By Sharon Farmer

Nancy Billiris, Jan Hailer, Cyndi Brooks, Mary Ann Chalmers and Nancy Licha were the five seniors selected by the students to be chosen Christmas Queen. Joyous Noel, this year's Christmas Ball theme, will be held Dec. 19 in the cafeteria.

The Del Mar PTA Christmas concert is to be presented Dec. 17 at 8 p.m. in the cafeteria. Those involved are orchestra, choir, girls choir and the brass choir.

Lindsey Parton was picked most valuable back by the varsity coaches at the annual Fall Sports banquet held last Wednesday. Paul Newbauer and Chuck Slynstad were honored as most valuable lineman and outstanding cross-countryman, respectively.

Varsity football lost the homecoming game on Thanksgiving Day to Camden who encountered 20 points, allowing the Dons none.

Fresh-soph was also beaten by the Cougars on their own field the day before Thanksgiving.

Despite losing our homecoming game, the Don's spirit was lifted due to the boy cheerleaders. Bob Fontaine, Rich Cogliandro, Steve Donato and Chuck Cocking portrayed cheerleaders using unusual but effective cheers.

The varsity basketball team is on the way to its fourth consecutive year being the West Valley League champions. The Dons took their first two non-league games with Fremont and Lynbrook. The Dons scraped by Fremont 56-55, while they toppled over Lynbrook with a final score of 74-56.

Campbell Corners

By Cindy Harris

As Campbell ended its football season with its smashing tie in the game against Los Gatos, the basketball players were warming up for what they hope to be one of their best seasons. Our varsity coach this year is Mr. David Evans.

Mr. Edmonds is the varsity assistant coach and Mr. Dick Scafe is head coach for the frosh-soph team. The guys making up this year's varsity squad are Duane Elkins, Jim Gaddis, Larry Wilcox, Dave McLain, Tom Peters, Joe Alvarez, Steve Lobrovich, Bill Turner, Tom Prettol, Randy Wetterstrom, Rick Angelo, Sam Lobue, Brad Wenger, Frank Reddick and Dave Bush.

On Dec. 12 they will face Milpitas, in the Campbell gym at 7. We hope that the spirit that was shown for our team during the football season will carry over into this season's sports. (By the way, Campbell was awarded the trophy for the most outstanding display of spirit during the football games this year.)

the drive starting Thursday to earn money so that they may go to Marine World on April 15.

This idea was proposed by Nancy Mitchell, who is a sophomore class officer this semester. It is something that will be a "first" as a class activity, and a lot of enthusiasm is backing Nancy's idea.

Seniors are again reminded to do what you have to do to receive your applications and information about the college you hope to attend next fall. Watch the bulletin for the days when the representatives from the different colleges will be coming to speak.

(A little reminder: Christmas vacation starts in approximately 12 days!)

Prospect Pulse

by IVALEE INGRAHAM

Panther hoopers started off their 1969-70 basketball season last week when they met Sunnyvale and Lynbrook. A large crowd of fans saw Prospect down Sunnyvale 47-43. The game was close all the way through, with Prospect coming from behind to win. Friday the Panthers met Lynbrook at Lynbrook, only to lose 55-45.

Prospect's quarter Honor Roll has been announced. 290 students made an average of 3.0 or better, and 23 of those brought home a straight "A" average. Seniors were Dana Bradley, Ken Chase and Taffy Tallyn. Juniors were Carolyn Guist and Alicia Raphael.

Sophomores were Bev Cutler, Carol Harley, Ken Kuchta, John Romer and Diane Shoaf. Freshmen had the most straight "A's" with 13 students earning them. They were: Dustin Baker, Jeanne Colby, Karen Ditty, Teresa Easlow, Cynthia Flanagan, Mary Jo Glatzel, Janis Harada, Scott Hill, Pamela Hungerford, Jennifer Oakie, Linda Peters, Ruth Sakamoto and Susan Winer.

Prospect's annual Christmas Ball will be held this Friday in the cafeteria. Dress is semi-formal or formal. Playing at the dance will be the Barons of Soul. Carnation corsages are on sale for \$1 this week.

Del Mar Key Club members to bring Christmas to children

Members of the Del Mar Key Club are involving the whole school in their toy drive which will benefit the Children's Center.

All of the students are being asked to bring in old repairable toys to the school by Dec. 19. The students in the wood and metal shops will be fixing the toys and the home economics departments are making stockings for all of the children.

The Key Club, which is sponsored by the West San Jose Kiwanis Club, recently held a car wash which netted \$100 and with this money they will purchase a tree, extra toys and playground equipment.

The club members, under the direction of Jon Cournon, president, hope to be able to purchase a toy for each child.

WHEREAS, the City Council of City of Campbell has heretofore found and again hereby finds and determines that public interest and convenience require it to order improvement of the Campbell Municipal Lighting District located on lands in the City outside the boundaries of the established district whether or not such lands are contiguous to the boundaries of said district, which lands are more particularly described in Exhibit "A" attached hereto and made a part hereof; and,

WHEREAS, the City Council has on November 10, 1969, Resolution No. 2750, directed the Superintendent of Streets of the City of Campbell to prepare a report in writing pursuant to Sections 18041 and 18161 of the Streets and Highways Code of the State of California and at the same time made a determination that the alternative procedure for levying and collecting assessments on an ad valorem basis set forth in Sections 18160 through 18169 of the Streets and Highways Code; and,

WHEREAS, the aforesaid report has been prepared and presented to said City Council and considered by it, and it appearing that public interest and convenience require the furnishing of electric current for illumination of the street lighting system hereinafter set forth, and that the boundaries of the special assessment district heretofore created and known as Campbell Municipal Lighting District, be changed by the annexation of lands outside the boundaries of said Campbell Lighting District, whether or not such lands are contiguous to the boundaries of said district, which lands are more particularly described in Exhibit "A" attached hereto and by reference made a part hereof.

NOW, THEREFORE, BE IT AND IT IS HEREBY RESOLVED by the City Council of the City of Campbell that:

1. The Superintendent of Streets' report attached hereto and by reference made a part hereof, and considered by the City Council pursuant to the Streets and Highways Code Sections 18041 and 18161, together with a description of the exterior boundaries of the said Special Assessment District as proposed to be changed by annexation of lands whether or not contiguous to the boundaries of said district, and the proposed improvement thereof by the furnishing of electric current for said street lighting system and the maintenance of the same are hereby approved.

2. The City Council of City of Campbell give and does hereby give notice of intention to order the above-described proposed improvements, which improvements shall commence on the 1st day of January, 1971, and said improvements shall continue thereafter indefinitely until such time as said City Council shall terminate the same by resolution.

3. The alternative procedure for the levying and collecting of assessments on an ad valorem basis on both lands and improvement be and the same is hereby adopted.

Dr. and Mrs. Olds observe 50th wedding anniversary

One of the happy occasions in the life of a married couple occurred Sunday, Dec. 7, when the many friends and acquaintances of the Rev. Dr. and Mrs. Corwin H. Olds gathered in the Fireside Room of the Congregational Church of Campbell to offer them congratulations on their golden wedding anniversary.

For the reception, Mrs. Olds chose a long royal purple velvet gown accented with a lovely white orchid corsage. Her single piece of jewelry was a golden locket, a present from Dr. Olds, with the numerals 50 representing their many long years of happiness.

Dr. and Mrs. Olds were married in Toronto, Canada, the actual wedding date being Nov. 5, 1919, but they were unable to be present for the reception until the Dec. 7 date.

They have three children, Mrs. Jessie Ericson of Milpitas, Commander Corwin Anson Olds, Ret. and Lt. Commander James Harvey Olds, presently stationed with the U.S. Marine Corps in Chula Vista. They are grandparents of seven and great-grandparents of one.

Only Mrs. Ericson was able to be present for the festive occasion, but gathered together were the many friends the Olds' have made during their life together in the ministry of the Campbell church and other churches in the area.

Dr. Olds started his ministry career 47 years ago in

Maine, served in the Royal Air Force in W.W. I and they were married while he was in the service.

Dr. Olds continued his military career in W.W. II by serving as chaplain and was appointed head of the Chaplains Corps in the Central Pacific Base Command. He was recently retired with the rank of Brig. Gen. in the National Guard Chaplain Corps, and is pastor emeritus of the Congregational Church of Campbell where he served for many years.

Mrs. Olds, who traveled with her husband to his many points of service, found time besides the heavy duties as a minister's wife and mother of three children to work for the Bangor Radio Station WLBZ as a fashion commentator and as drum major for the American Legion Auxiliary. She has been treasurer of the City of Campbell since its incorporation in 1952.

The Fireside Room of the church was beautifully decorated with gold magnolia leaves and greenery with gold flowers centered on the tea table. On the center of a second table stood a lovely four-tiered wedding cake with gold accents.

During the reception, a two-tiered brass communion set, to serve 350 persons, was presented to the church in honor of Corwin and Velma Olds on their 50th wedding anniversary in recognition of the knowledge that the church has always been very near and dear to their hearts. The new set matches the church altar appointments.

55th wedding anniversary observed

MR. AND MRS. VINTRO

Fifty-five years ago in Taunton, Mass., Manuel and Mary Vintro were wed on Thanksgiving Day. This year on Thanksgiving Day, the "young-old" couple observed their fifty-fifth wedding anniversary at the home of their son and daughter-in-law, Mr. and Mrs. George Vintro, 840 Jones Way in Campbell.

Present for the occasion were friends of the couple and their son and daughter-in-law. Unable to be with them for the festivities were their two grandchildren and one great-grandchild who live in Antioch. Their oldest son, Manuel, Jr., passed away seven years ago.

Vintro, who is now retired, had been employed as a custodian at the Campbell High School and for a short time at Food Machinery before retiring. The Vintro's, who have lived in Campbell since 1921, are both enjoying good health and are active members of St. Lucy's church where Mrs. Vintro is a member of the St. Lucy's Altar Society.

Vintro admits to enjoying a good day's fishing and likes to go deep sea fishing whenever the opportunity arises.

A special cake was served to the guests in commemoration of the event which occurred in 1914. The Vintro's are now making their home at 100 N. Third St.

Seventh-Day carolers make nightly visits

This week marks the beginning of the 66th annual World Service Appeal of the Seventh-day Adventist church. The Campbell congregation will be participating in this by personal giving and solicitation, according to Pastor Eugene Sample.

During the next two weeks members of the local church will make door-to-door visits as they add Christmas cheer by caroling groups and amplified tapes. These volunteer solicitors will carry identification and official credentials issued by the church.

Funds solicited will go toward extending medical, welfare and educational services in 193 countries.

CANTATA PRESENTA--The choir of the Saratoga Avenue Baptist Church under the direction of Dwight Allen will present John Petersen's Christmas Cantata "Born

a King", Dec. 14 at 7 p.m. Soloists for the cantata include Hal Nunn, DuWayne Dickson, Claudia Jobe, Eileen Wood, Bonnie Ringgold and Dwight Allen.

Accompanying the choir at the organ will be Harriet Tevis; the pianist - Barbara Larsen; violinist - Bob Jaffrey and a

brass trio - Laross Coggan, Eugene Blankenbaker and Darrell Page. The narrator will be Rev. Harry L. Twining, Jr., pastor of the church. The Saratoga Avenue Baptist Church is located at 1735 Saratoga Ave., near Westgate shopping center opposite Payless Drug Store.

A pleasant association

The difference among S & L's is the service they offer. Everything else is much the same. Colonial has a heritage of service. Our name is a reminder of the days when there were town halls and villages... and you did business with people you knew and trusted. All Colonial offices are dedicated to their communities. Most have been a part of their towns and neighborhoods for many years so the people they serve are friends, not customers...and never numbers. Colonial, you see, believes that there is at least one thing more important than the fact it pays the highest interest on insured savings paid day-in to day-out. And that's upholding its reputation for being a pleasant association.

RAINDROPS
Rainfall totaling .21 inches fell during the storm Monday and Tuesday, bringing the total rainfall to date to 1.88 inches. Last year at this time 2.64 inches of rain had been recorded with 4.14 as normal. Total for the 1968-69 season was 24.81. Reservoirs are still full from last year.

PHARMACY PHACTS

By Allan Blaine

According to the Florida Health Department, it is only a myth that hunters are bitten by snakes more often than other people.

Speaking of snakes, the coral snake is not necessarily the most dangerous nor is his bite always fatal. Within the past six years, thirty-three coral snake bites have been reported in Florida with no deaths.

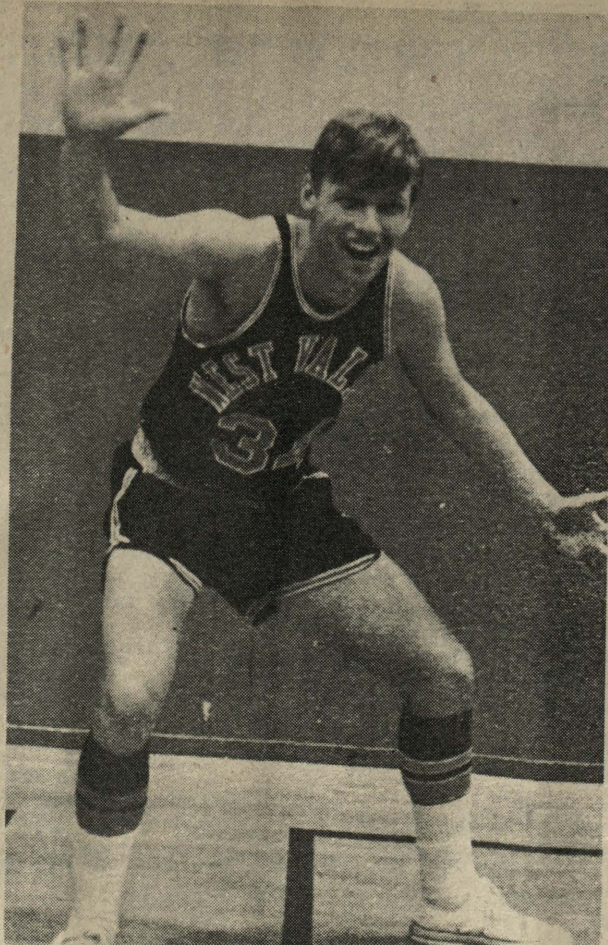

A technique for treating severely burned patients by immersing them in a bath of liquid silicone has been patented by Dow Corning.

Antibiotics can help cure sick plants just as they help cure human disease. Department of Agriculture reports that asters suffering from "aster yellows" became healthy when treated with antibiotic drugs.

In recent years, in contrast to the consumer price index which has risen noticeably, the prescription index has shown a consistent decline.

VIKING MAINSTAY—Steve Gera, last year an all-leaguer, will attempt to spark West Valley College to victory this Thursday in southern California in the Cuesta College Tournament. The Vikings play Alan Hancock in the first game.

Last weekend the Vikings

in the first annual Junior College Fiesta Basketball Classic dropped the championship to Foothill by two points. Joe Gallagher and Herb Hodgins were named all-tourney. In the only other game of the week, West Valley dumped Cabrillo 87-72.

Campbell girls invited to try out for track

San Jose Cinder Gal AAU Girls Track and Field Team invites all Campbell girls age 10, 11 and 12 to team tryouts to be held Sat., Dec. 13 at 1:30 p.m. at San Jose City College.

The girls on the team have just finished their cross-country season, approximately 40 girls on the team are interested in track events.

Estelle Argabright is serving as coach and is presently a student at San Jose State. The women's division just took a first in a meet in Los Angeles.

A physical will be required before acceptance on the team. Workouts are held twice a week with meets held every weekend in the spring. For further information call Mrs. Paul Simone, 355-6985.

TAX PROPOSAL
A kick-off meeting for the campaign session dealing with the California Teachers Association tax initiative proposal will be held Wednesday, Dec. 10 at 4 p.m. at the Monroe School all-purpose room.

The meeting is open to all interested persons living within the Campbell Elementary School District. Petitions will be distributed along with important information related to the tax initiative.

Dec. 10 deadline for paying taxes

The first installment on Santa Clara County taxes must be paid by (today) Wednesday, Dec. 10, if taxpayers are to avoid a six percent penalty, Edward N. Glaeser, Finance Director, reports.

Last year tardy taxpayers paid approximately \$200,000 because their first installment real estate tax payments were late.

The Tax Collector's office, under L. E. Engeman, assistant finance director, still has approximately 500 tax bills which have not been claimed. These bills either have no mailing address or have been returned undelivered by the Post Office. Failure to receive

a tax bill does not relieve the property owner from the payment of a penalty if the taxes become delinquent, Engeman pointed out.

Senior citizens planning to file for the property tax assistance from the Franchise Tax Board between May 16, 1970 and Aug. 31, 1970, are warned that their taxes must be paid first to be eligible.

The Franchise Tax Board will distribute claim forms in March of 1970 for this assistance that will apply if the property owner is over 65 years of age and has a household income of \$3,350 or less for the calendar year 1969.

WATCHING 'EM—Butch Hart, a baseball star at Westmont High last year who has been reportedly signed by the Giant organization, acts as first base umpire in the Campbell Winter League play at Rincon Park on Saturday. George Hahn is the first baseman.

Last Saturday, the "Tigers" lost their first game to the "A's" 4-1 with Gary Haney and Wayne Widdig throwing four innings each and getting their second no-hitter.

Gordon Hahn and Terry

Hart turned in good mound performances for the "Tigers" while Jerry Buzzetta of the "A's" knocked in three runs on his two hits.

The Cubs beat the Cards 8-7, scoring two runs in the bottom of the eighth. Mike Smurthwaite was on the mound for the "Cubs" and Mark Staggs got three hits. Henry Egurrola pitched four shutout innings for the "Cards". He also banged out two hits.

OVERHEATED PARAFFIN—Mrs. Saxton Pope, 394 April Way, placed a pan of paraffin on the stove early Monday morning to make some Christmas candles and then went to take a shower. The paraffin

did what comes naturally and caught on fire. Result - burnt cabinets over the stove and ceiling and smoke damage throughout the house. Campbell fireman Bill Thompson is shown cleaning up the mess.

Strong-armed robber hits two Winchester service stations

Two strong-armed robberies within two days have hit two service stations within a half-mile of each other. In both cases the suspect used the same approach, around 9 p.m. when an attendant was alone in the service station. Telling the attendant that an accomplice was in the field across the street with a high powered scope rifle and would shoot if anything went wrong, the thief made off with the available cash.

Taken for \$55 Sunday, Dec. 7, was the Darton Chevron Service Station, 3405 S. Winchester Blvd., while on Monday night the Verne Fallows Union Station, 335 S. Winchester, lost \$107.11. In both cases a young man approached the stations on foot and left on foot after telling the attendants to wait for at least 15 minutes.

Freddie's Liquors, 1470 W. Campbell Ave. was held up Thursday night by a young man described as possibly under the influence of narcotics who brandished a gun while demanding money. He escaped on foot, with \$2,113.09.

Campbell police this week

were able to "close the book" on a series of eight cases involving malicious mischief and burglary of trailers parked on Bascom Ave. Two young boys, both attending elementary school, admitted to entering the trailers and stealing items as well as emptying cupboards and destroying stored items over the last several months. The two were arrested after one of the boys was found with a gun taken from one of the trailers.

SPORTS FANS!

I BET YOU DIDN'T KNOW

By Al Saliccia

What was the worst weather a major post-season football game was ever played in?... How about this one... For the National Football League title game between Green Bay and Dallas at Green Bay in 1967, the temperature was 17 below zero and the "chill factor" figured by the U.S. weather bureau -- the temperature compounded by the wind -- that day was equal to 49 below!

It's rather surprising to find that although there are many, many post-season football bowl games these days, it took football promoters so long to catch on to the idea... The first Rose Bowl game was played in 1902 and, oddly enough, it was then more than 30 years later until such bowls as the Orange, Sugar and Cotton were started.

Bethlehem show at planetarium

On four consecutive nights this month, the phenomenon of the star of Bethlehem will be explored at the planetarium at West Valley College.

For the first time the public will be introduced to one of the college's newest instructional tools - the Spitz A-4 planetarium. The projector, first of its kind on the west coast, is being used in the college's astronomy classes. It shows the star field, including the Milky way, sun, moon, planets, Magellanic clouds and other heavenly objects.

The Christmas show, Dec. 19 through Dec. 22, will be the same program for the four nights and advanced reservations will have to be made through the Office of Community Services, located at 44 E. Latimer Ave., Campbell, room L-26, telephone 379-1733, ext. 58.

The first few verses of St. Matthew are the only Biblical references to a star, yet it has become one of the most familiar parts of the Christmas story. Astronomers can never positively claim in what form the "star" occurred, but several cosmic explanations are possible. By rotating the star field, the planetarium can recreate the sky as it appeared in Bethlehem 2,000 years ago on the eve of Christ's birth.

"Star of Wonder" will begin at 7:30 p.m. on each of the four nights starting Friday, Dec. 19 through Monday, Dec. 22. The program is open to residents of the West Valley College District.

GRADUATES

Airman John M. Johnson, son of Mr. and Mrs. James M. Johnson of 440 E. Shamrock Dr., Campbell, has graduated at Sheppard AFB, Tex., from the U.S. Air Force training course for jet aircraft mechanics.

Airman Johnson, who was trained to repair current Air Force jet fighters, is being assigned to Nellis AFB, Nev.

A 1967 graduate of Camden High School, the airman attended West Valley College.

WV choral groups presents concert

West Valley College choral groups will present their sixth annual winter concert on Dec. 16 at 8 p.m. in the Campbell campus auditorium.

The concert choir of 50 voices will be directed by Miss Kathryn Huss.

Kenneth W. Jewell, chairman of humanities and fine arts at the college, will conduct the Madrigal Singers in selections by Alexandre Gretchaninoff, Henry Cowell, William Walton and Charles T. Pachelbel. A featured work will be Pachelbel's "Magnificat" for double choir and piano. Several unusual arrangements of Christmas carols will also be presented by this group.

The public is cordially invited to attend the admission-free concert.

Adult Education present program

"A Christmas Happening" is happening to students, teachers, administrators and interested guests of Metropolitan Adult Education Program, on Wednesday, Dec. 10 when all will gather to enjoy a "social" at San Jose High School, from 7:30 - 10 p.m.

On the evening's program are several adult ed "products". The adult Concert Band is slated to play Christmas music; English as a Second Language classes under the direction of Mrs. Esther Stone will offer an original skit.

"A Christmas Medley" by the mixed chorus will follow a drama class presentation entitled "The Miner's Daughter". The program will conclude with group singing.

Chairman for the program is Mrs. Bernice Gross, a member of the MAEP Student Sen-

ate. Master of ceremonies duties will be shared by Senate President Jim Wallbeoff and Alberto Carrillo, vice-president.

Metropolitan Adult Education students attend schools in Santa Clara, Campbell, San Jose, Milpitas and Eastside school districts.
